SEVEN REASONS TO
LOVE THE NEW ZAFIRA
36-37

SPECIFICATION
38-39

PERFECT FOR LIFE'S EVERYDAY.

New Zafira Tourer looks and feels better than ever. It's even better at looking after you too.

But not everything's changed. It's still got the same super-flexible rear seats. Same can-do versatility. And the same easy drive – even with the family on board, the dog in the back and a bike on its built-in rack.

Entertainment and controls are smarter. A sleek new dashboard layout is home to a snazzy touchscreen infotainment and personal connectivity assistant, making New Zafira Tourer not just more fun, but more helpful and safer.

The New Zafira Tourer makes room for all the stuff that matters. And, with its bright and luxurious interior, it does it in true style, carrying you high on life's journeys.

Sounds like the perfect excuse to get out more.

A REAL CROWD PLEASER.

1

Every New Zafira Tourer comes packed with thoughtful ideas and smart technology to make life better.

Standard (though far from standard) on every New Zafira Tourer, a state-of-the-art Radio 4.0 or Navi 950 IntelliLink infotainment system and Opel OnStar are ready to keep everyone entertained, informed and in touch on the go. On the safety side, bright ideas like the LED adaptive forward lighting and driver assistance systems like the front camera system help you keep everyone safer on the road.

And when it comes to seating, New Zafira Tourer has it sorted with its benchmark Flex7[®] technology. This endlessly flexible seating system means it's simple to find the ideal set-up whoever's on board or whatever you're up to.

So, with entertainment, connectivity, safety and comfort all sorted, as well as the airy brightness of a roomy interior, you can be sure everyone's happy.

2

1. Stay connected. Get maps, apps and music on the go when you connect to our clever Radio 4.0 IntelliLink infotainment system. It's compatible with Apple CarPlay[™] and Android Auto[™], so you can project app functions from your smartphone to the IntelliLink's colour touchscreen display. Meanwhile, at the tap of a button, Opel OnStar puts you in touch with a trained human advisor, giving you access to a host of innovations, as well as a very handy Wi-Fi hotspot (read more about Radio 4.0 IntelliLink and Opel OnStar on pages 17 and 22).

2. Get comfortable. From seven seats to one, pick the seating set up that suits you with our innovative Flex7[®] seating system. Quick release and fold flat seats adjust in dozens of combinations to suit any situation in seconds (read more about flexible seating on page 9).

3. Bright ideas. Full LED Adaptive Forward Lighting (AFL) lighting is another clever technology that automatically adapts the car's headlights to show you exactly where you're going, whatever the conditions (find out more about LED AFL on page 13).

3

STEP INSIDE, MAKE YOURSELF AT HOME.

There's plenty to love inside the New Zafira Tourer. Its panoramic sunroof and windscreen¹ give it a bright and airy feel, with plenty of relaxing space and creature comforts inside to make everyone feel at ease.

Front seats with AGR² certified ergonomics provide loads of adjustable settings to find your perfect seating position, including an adjustable front cushion, seat tilt and power lumbar adjustment.

Ready to hand on SE and Elite models, the FlexRail[®] centre console system gives you an armrest fit for royalty. In fact, it's more than just an armrest – it's a modular, multi-level storage system with adjustable storage to hold drinks and space to store your smartphone, loose change and tickets. There's even a hidden compartment large enough for a handbag, tablet or a slim laptop.

Once you're comfy and organised inside the New Zafira Tourer you'll find it quiet, calm and accommodating as ever. You'll also notice higher quality materials, sophisticated colour choices and calm ambient lighting too, which all go together to make the New Zafira Tourer look and feel a very nice place to be.

- 1. Enjoy the view.** You'll love the extra light, space and views given by the panoramic windscreen and sunroof which stretches right over the front seats and into the back, creating a natural, airy ambience inside the car.
- 2. Ergonomically certified AGR front seats.** Give your back the VIP treatment on long trips with extendable thigh support and adjustable lumbar area that support you in all the right places and help you relax.
- 3. The king of armrests.** FlexRail[®] centre console storage and armrest. The centre console turns the space between the front seats into a flexible storage compartment – and the integrated armrest makes for a relaxing drive.

1

2

3

ROOM TO LIVE.

Size matters, which is why we designed New Zafira Tourer with the demands of family life firmly in mind, be it picking up the kids, a weekend adventure in the wilds, or transporting tricky loads.

Which is why you'll find our clever Flex7® seating technology on board the New Zafira Tourer. It's the result of over two decades of perfecting flexible seating in our cars, making it easy to adapt the seating for all sorts of different situations.

Flex7® is essentially a very simple system. Each individual seat in the second and third rows can fold perfectly flat or tip up using quick release straps. This simple idea lets you achieve lots of different seating and space combinations, from five-seater to seven-seater and much more.

- 1. Third-row seating.** All models come with a third row of seats to make the New Zafira Tourer a full-on people carrier for seven people. Both outside second-row seats slide forward and tilt up – so it's easy to get in and out of the back.
- 2. Turn three seats into two.** Lounge Seating is a great way of really spoiling second-row passengers – or keeping squabbling siblings apart! The centre seat of the second row flips down to make an armrest, then the two outside seats slide back and away from the doors, giving you even more elbow and legroom with the minimum of fuss.
- 3. Flat-folding seats.** Loads come in all shapes and sizes, and so does the luggage area in the New Zafira Tourer. Each individual rear passenger seat folds totally flat so you can carry passengers and bulky loads at the same time.
- 4. Extra-large load space.** Switch from limousine-like comfort to all-purpose carrying ability in a matter of seconds – so you can transport that furniture, DIY kit or leisure equipment with ease.

Please note, for illustrative purposes only. When the second-row centre seat is occupied the passenger side third-row seat is only useable by a passenger up to a maximum height of 150cm.

READY FOR LOADS OF FUN.

Looking for the perfect partner for sports, adventure and play? Well, look no further. New Zafira Tourer carries it off in style.

Inside, the load-carrying potential is exceptional, with lots of storage features and space for all your kit. Outside, the optional FlexFix® carrier, which is cleverly integrated into the rear bumper, makes light work of carrying a couple of bikes.

What's great about it is that you can both secure and carry your bikes with safety and ease – it simply slides out of the rear bumper when you need it and slides invisibly back in when you're back home – nice, neat and no fuss – ideal for those spur-of-the-moment cycling trips.

For bigger loads and longer adventures, you can hook up a trailer using the tow bar, which depending on the model you choose, is good for up to 1,650 kilos.

- 1. Big boot.** Fold all the rear seats down and you've got a cavernous 1,860 litres of storage space. In its five-seat configuration, there's still 710 litres for luggage behind the second-row seats. And even in its seven-seat set up, you've still got up to 152 litres of space and 34 handy storage compartments.
- 2. FlexFix® bike carrier.** Hidden in the bumper when not in use, this clever extra folds out into a sturdy rack for two full-sized bikes. Add the accessory bracket and you can carry two more bikes.
- 3. Towing Pack.** At some point even the biggest boots fill up, which is when our optional tow bar comes in handy – a trailer stability programme also comes as part of the package which is good for towing up to 1,650 kilos.

2

3

SMART LIGHTS.

Opel takes safety seriously. Which is why we developed the intelligent LED light technology that's now a proud standard for the New Zafira Tourer. Optional at extra cost as part of the Premium Forward Lighting Pack, full LED Adaptive Forward Lighting (AFL) gives you greater visibility and safety at night by adapting the LED lighting patterns automatically to steering angle and speed, and according to your driving situation. Overall, the LED AFL system lights the road 30% brighter than halogen bulbs.

As well as the LED AFL system¹, New Zafira Tourer gets LED daytime running lights, a high beam assist system, the latest generation Electronic Stability Programme (ESP-plus) and a braking system with active safety functions, including cornering brake control, straight line stability control, rollover mitigation and an emergency brake assist system.

- **Urban light.** At speeds under 55km/h, a wider spread of light shows more of the roadside to help show up pedestrians or other potential hazards
- **Country light.** At speeds above 55km/h, a longer, broader, dazzle-free, low-beam light helps highlight roadside hazards
- **Tourist mode (when activated).** When travelling on the continent, oncoming traffic will never be dazzled as the AFL headlights automatically angle themselves slightly downwards

- **High beam.** Powerful down-the-road illumination on top of the LED low beam. Full-on lighting for maximum visibility
- **High beam assist.** Automatically dips your headlights when the AFL system detects other vehicles approaching (not illustrated)
- **Static cornering light.** At speeds up to 40km/h, when you indicate and turn the steering wheel past a certain angle, extra AFL LED cornering lights come on to show what's around the corner
- **Dynamic curve light.** Between 40 to 70km/h, and above a certain steering angle, extra AFL LED cornering lights give you a better view around high speed curves
- **Energy saving mode.** Switches off the cornering lights to save energy when Start/Stop mode is on
- **Parking light.** In reverse gear, this switches on the front cornering light on both sides of the car so it makes it easier for you to get in and out of parking spots

¹ Part of the Premium Forward Lighting pack that also includes LED headlights with dynamic beam levelling and LED tail lights.

AN EYE ON SAFETY.

Choose your New Zafira Tourer with the optional innovative front camera system¹ or driver assistance pack² to help you stay vigilant and keep your passengers safe on the road.

These radar-based safety systems continuously monitor other traffic, analyse your driving behaviour and automatically read upcoming road signs. Based upon this information, the system displays reminders and warnings on the instrument facia, helping to keep you safe and legal at all times.

These innovative systems have six main active functions while you are driving while the rear view camera option helps you reverse safely.

- 1. Lane departure warning.** If you start moving out of your lane without signalling, the system sounds the alarm so you can get back on track. Side blind spot alert (not pictured), available as part of the driver assistance pack, also safeguards against potentially hazardous lane changes, so that if a car moves into your blind spot, it displays a warning icon in the side mirror.
Following distance indicator. Constantly indicates the number of seconds you are behind the vehicle in front, helping you maintain a safe distance (not pictured).
- 2. Forward collision alert.** Also available as part of the driver assistance pack. If you approach other vehicles too quickly from behind, an audible alarm is triggered and warning icons are displayed. If you don't react to the warnings, it automatically primes the brakes and will even apply them in an emergency.

1

2

3

4

5

- 3. Traffic sign assist.** Detects and displays speed limits and other traffic signs that you might otherwise miss, and can even recognise electronic and temporary signage and alert you.
- 4. Adaptive cruise control.** Also available as part of the driver assistance pack, this system autonomously maintains the distance you set to the car in front, helping to prevent bumper-to-tail collisions. The system works closely with the forward collision alert to prevent you approaching other cars too fast.
- 5. The rear view camera.** This system allows you to see behind the New Zafira Tourer using the seven-inch IntelliLink display (which comes as standard), so you can reverse safely without straining to look over your shoulder.

¹ Features lane departure warning, following distance indicator and traffic sign recognition.

² Features side blind spot alert, forward collision alert with automatic city emergency braking, following distance indicator and adaptive cruise control.

A TOUCH MORE CONNECTED.

One thing we can guarantee is that you'll never be bored on board the New Zafira Tourer. Because every New Zafira Tourer comes kitted out with an IntelliLink infotainment system as standard, with Bluetooth® and USB connectivity for Android or Apple iOS device, as well as digital radio. Once connected to your device, the Radio 4.0 IntelliLink lets you project your smartphone¹ or tablet apps¹ and functions to the 7-inch colour touchscreen display – perfect for safely making hands free calls, checking information and streaming music while you drive.

And with OnStar² onboard you'll also have a powerful Wi-Fi Hotspot³ at all times, so you can make full use of your digital devices, anytime and anywhere.

2

1. The Navi 950 IntelliLink. If navigation is your priority, choose the Navi 950 IntelliLink with a 7-inch colour touchscreen and satellite navigation, which gives you full European map coverage with bird's eye view, traffic updates and 'one-stop' destination entry through voice recognition. For added safety, the Navi 950 IntelliLink can read out your incoming text messages and lets you call back or send replies, all with your hands free and your eyes on the road. Standard on SE and Elite models.

2. The Radio 4.0 IntelliLink can project your smartphone apps to the 7-inch touchscreen display. This includes your phone's contacts, messaging, music (inc. Spotify), radio (inc. Tune-In), podcast, navigation apps (e.g. Apple Maps for iPhone or Google Maps for Android) among many more. All of these can be accessed via the touchscreen, or you can use Siri (iPhone) or Google Now (Android) voice command for phone, messaging, music, maps and calendar. Standard on SC models.

androidauto

¹ Compatibility and certain functionalities may differ depending on type of device and version of operating system.

² For details of Opel OnStar, please see pages 18 to 21. Check www.opel.ie/onstar for terms and conditions, details of availability, coverage and charges.

³ Wi-Fi Hotspot service requires account with nominated network operator and is subject to mobile network coverage and availability. Charges apply after the free trial period.

The subscription packages could be different from the services included in the free trial package. Check www.opel.ie/onstar for terms and conditions, details of availability, coverage and charges.

The Navi 950 IntelliLink does not support Apple CarPlay™ and Android Auto™.

Apple CarPlay and Apple are trademarks of Apple Inc. registered in the U.S. and other countries. Android is a trademark of Google Inc.

OPEL OnStar[®]

YOUR PERSONAL CONNECTIVITY AND SERVICE ASSISTANT.

Opel OnStar¹ gives you an incomparable feeling of safety, 24/7, 365 days a year. You can access our unique services at the touch of a button, nearly anywhere in Europe.

Best of all it's free of charge for the first 12 months on all New Zafira Tourer models. Even for your Wi-Fi Hotspot² you will get a free data trial period³.

Driving will never be the same again.

WHAT ONSTAR CAN DO FOR YOU.

Automatic Crash Response.

In the event of a crash, built-in vehicle sensors automatically alert an OnStar advisor, who will be immediately connected to your car. The advisor will assess the situation and if needed notify the emergency services and provide them with your exact GPS location¹.

Wi-Fi Hotspot².

Your car is online! The extra-powerful OnStar roof antenna gives you a stable and quick Internet connection and creates a Wi-Fi Hotspot² for up to seven devices¹.

Smartphone App.

At the touch of a button, remotely lock/unlock your doors, check your oil life or sound the horn and flash the lights¹.

Stolen Vehicle Assistance.

If someone steals your car, call our OnStar advisors and give them the reference number the Garda Síochána give you. The advisor will then provide the Garda Síochána with the location and prevent your car from being restarted so it can be recovered¹.

Vehicle Diagnostics.

Whenever you want you can ask OnStar to remotely check some of the key systems of your car like engine, transmission, emissions or airbags. If you wish, OnStar can also send you a monthly e-mail with this key data.

Destination Download.

Searching for an alternative route, a restaurant, a petrol station or anywhere else you might need? Just press the Service Button! Our advisors will provide you with the address. They can automatically download the location to your Opel's navigation system^{1,4}.

YOUR PRIVACY. YOUR CALL.

You are in control of what OnStar can and cannot do!

- Once you've registered and activated OnStar, you can access every OnStar Service available on Zafira Tourer models. To ensure security, several services will ask for your PIN.
- Press and hold the Privacy Button for approximately five seconds to mask your car's location at any time. If you change your mind, press the Privacy Button again for approximately five seconds to reveal your location. Only in emergencies⁵ can OnStar override this.
- OnStar Europe Ltd t/a Opel OnStar will never sell your information on. Your information will only be disclosed to OnStar and GM Holdings LLC (USA), its affiliate companies (i.e. Adam Opel AG and General Motors Ireland Limited), your selected/preferred dealers, companies involved in providing or carrying out the OnStar Services and, at your request, to other service companies.

¹ The OnStar Services require activation and are subject to mobile network coverage and availability. Wi-Fi Hotspot service requires account with nominated network operator.

² Wi-Fi is subject to mobile network coverage and availability. Charges apply after the free trial period. The OnStar subscription packages could be different from the services included in the free trial package. Check www.opel.ie/onstar for terms and conditions, details of availability, coverage and charges.

³ For details please check www.opel.ie/onstar ⁴ An embedded Opel navigation unit and map data are requirements for this service. ⁵ In events such as a crash or if your vehicle is stolen.

HOW CAN I GET ONSTAR?

Opel OnStar is standard on all New Zafira Tourer models.

To get it:

1. Request OnStar when you order your new Opel Zafira Tourer.
2. OnStar will send you an e-mail invitation so you can activate your account.
3. Complete your registration and set up your preferences.
4. OnStar is ready to go!

After the 12-month free trial period, you can decide to order a continuation of the OnStar services. This will be subject to a fee.

You can purchase Wi-Fi Hotspot¹ data packages separately from the network provider by following the instructions on www.opel.ie/onstar/aftermytrial

HOW MYOPEL SERVICES DO MORE FOR YOU.

myOpel is your one-stop shop to manage everything to do with your Opel – from your Opel OnStar account to organising your vehicle's next service to rewards and exclusive offers. Everything is targeted to you and the Opel you drive.

- Manage your Opel – take care of your Opel online, book a service
- Access your Opel OnStar services – get diagnostics reports, manage your subscription and more
- Exclusive offers – stay up to date on special offers, latest news and current events
- Dealer locator – find your nearest Opel dealer

If you already are a Opel OnStar customer, you can access all the myOpel services. Otherwise, you can register for myOpel by following these easy steps:

1. When you order your car, your dealer will go through a simple pre-registration with you.
2. We will send you an e-mail invitation so you can activate your account.
3. Complete your registration.
4. myOpel anytime, anywhere!

To easily access myOpel from your smartphone, just download the app from the Google Play Store or from the Apple App Store.

LOVE LIFE ONLINE, ON THE GO.

There are all sorts of reasons to love the New Zafira Tourer.

But, for families, we've got a hunch this reason is going to be a biggy – it's got a Wi-Fi¹ hotspot.

Thanks to the Opel OnStar system², passengers with smartphones, tablets and laptops can enjoy the benefits of Wi-Fi on the go. So as soon as you turn on the New Zafira Tourer ignition, your car's online, connected to Wi-Fi for up to seven devices through its powerful roof antenna which ensures a fast, stable connection.

Perfect for long trips (probably short trips too, let's face it!), it's ideal for keeping your family and friends entertained on the go.

You can also keep your devices charged through the USB ports or the 12-volt power outlet.

1. **Choose your connection.** You've got a Wi-Fi Hotspot¹, Bluetooth[®] and USB. Connect up the seven devices to the Wi-Fi, pair up to four Bluetooth[®] compatible devices³, or project a smartphone or tablet to the Radio 4.0 IntelliLink display through Apple CarPlay[™] or Android Auto^{™3} (see page 17).
2. **Back-seat entertainment.** Make the most of your Wi-Fi Hotspot and stream a video as you go. Choose an optional FlexConnect accessory to hold your tablet at the right height so you can sit back, relax and watch hands-free. To read, rotate your tablet for the portrait format. For more FlexConnect accessories, turn to page 34.

¹ Wi-Fi is subject to mobile network coverage and availability. Charges apply after the free trial period. The OnStar subscription packages could be different from the services included in the free trial package. Check www.opel.ie/onstar for terms and conditions, details of availability, coverage and charges.

² The OnStar Services require activation and are subject to mobile network coverage and availability. Wi-Fi Hotspot service requires account with nominated network operator.

³ Compatibility and certain functionalities may differ depending on type of device and version of operating system. When the engine is off, Wi-Fi will automatically shut down after 10 minutes.

Zafira Tourer Elite

ENJOY THE RIDE.

The New Zafira Tourer doesn't look like a run-of-the-mill people carrier – and you'll be pleased to hear it doesn't drive like one either.

In fact, you'll find its ride is smooth, composed and incredibly responsive – thanks to the engineering genius of its Watt's link rear suspension system¹, matched with a long wheelbase and wide track that gives it superb stability in all conditions.

Then there's the optional FlexRide Adaptive Stability Technology² which further enhances your experience by adjusting the ride settings to suit your own personal driving style. FlexRide lets you switch between a leisurely or a sporty ride, depending on the conditions (or your mood!).

With the agile response and handling of a mid-sized car, New Zafira Tourer is equally capable whether about town or on the motorway. And, with a choice of two German-engineered diesel engines, fuel economy and emission control are excellent. The 1.6CDTi (134PS) model achieves up to 4.5 litres/100km³ while, thanks to BlueInjection⁴ technology, CO₂ emissions are kept as low as 119g/km. Impressive for a car of this size wouldn't you agree?

1

1. Super-smooth automatic option.

The New Zafira Tourer's refined six-speed automatic transmission proves you can have dynamic performance with a relaxed driving style without excessive engine capacity. What's more, every automatic comes with hill start assist to make setting off a breeze.

2. **Switch your ride.** FlexRide technology lets you change the driving dynamics of the New Zafira Tourer to suit your situation. At the touch of a button, you can switch between Sport, Standard and Tour. In combination with Watt's Link rear suspension, the Sport mode automatically adjusts the dampers and other settings to give you even more grip, while the Tour mode makes long journeys super smooth.

2

1 Put simply, the Watt's link axle design gives the New Zafira Tourer greater lateral control, improving the car's performance on turns, corners and uneven surfaces.
2 Optional on SE and Elite models only. 3 Combined figure. 4. Please note: Vehicles with BlueInjection technology will need regular AdBlue® top-ups also between servicing requirements. An indicator integrated into the on-board computer will warn you when you need to top up. More information under www.opel.ie/blueinjection.

Cosmic Grey two-coat metallic paint is optional at extra cost.

SC.

Perfectly equipped and a dream to drive, SC is the ideal start for just about every family, with premium features like Opel OnStar, the Radio 4.0 IntelliLink system and cruise control as standard, as well as plenty of tempting options to tweak your SC.

Standard features include:

Infotainment

- Opel OnStar personal assistant with Wi-Fi, emergency and crash response, destination download*, smartphone vehicle diagnostics app, stolen vehicle alert and roadside assistance call-out**

LOOKS YOU CAN FEEL.

Beautifully tailored seat upholstery and an array of beautiful exterior colours are a big part of the New Zafira Tourer's premium look and feel.

Some of the stylish interior trims are also available with ergonomically designed front seats, made to promote healthier backs with individual controls so you can extend the seat cushion to support your thighs and adjust the lumbar area to the contours of your back.

Truly a great looking set of trims that will make you feel even better.

1. **SC.** Mando seat fabric with Atlantis bolster fabric in Jet Black. Dark Pewter stitching, décor mouldings in Blasted Silver with High Gloss Chrome inlays.
2. **SE.** Lilop seat fabric with Morrocana bolsters in Jet Black. Two-tone stitching in Shadow Grey and Rust, décor mouldings in Ruthenium Metallic with High Gloss Chrome inlays.
3. **SE no-cost option.** Lilop seat fabric with Morrocana bolsters in Light Neutral. Two-tone stitching in Shadow Grey and Ceramic White, décor mouldings in Ruthenium Metallic with High Gloss Chrome inlays. Includes ergonomic front seats.
4. **Elite.** Black leather seat inserts and inner bolsters with all other parts in black Morrocana. Star Silver stitching, décor mouldings in Ruthenium Metallic with High Gloss Chrome inlays. Includes ergonomic driver's sport-style seat (AGR-approved*) and sports-style front passenger seat.

EXTRA MAKES LIFE BETTER.

With its spacious, flexible, all-you-can-store interior, there isn't much the New Zafira Tourer can't handle.

But who doesn't need some little extras to tailor their car? Whether you're starting a family or planning a road trip, there's a genuine accessory made for the New Zafira Tourer.

Here's a selection of our most popular accessories.

To explore the full range (including the FlexOrganiser® system), visit www.opel.ie/accessories.

- 1. Opel-branded roof box¹.** Sturdy and streamlined, this stylish roof box is perfect for the type of gear that gets everyone up off the sofa and out into the fresh air.
- 2. Privacy shades.** High-grade shades give your passengers rock-star privacy and help block sunlight to keep the car cool. Tailored to the exact size of the New Zafira Tourer's rear windows, they'll stay securely in place with the windows up or down.
- 3. FlexConnect folding table.** Stable, secure and foldable, the FlexConnect table has a handy cup holder and plenty of space for things like a book, tablet or a snack.
- 4. Reversible hard cargo tray.** A sturdy tray to help keep your boot clean and tidy. One side is coated with a hard, anti-slip surface, the other with carpet for a softer look and feel. A raised edge helps contain liquids if there's any spillage.

1

- 5. FlexOrganiser® divider.** An adjustable organiser that hinges on the optional FlexRails® system, mounted on each side of the boot. The FlexOrganiser® divider helps keep loads and objects in place while keeping them separate from other luggage.
- 6. Dog guard.** This safe, robust and easy-to-install accessory makes sure your beloved pets and passengers travel safely together, and also helps keep the seats clean too.
- 7. FlexDock®.** A safe and stylish way to secure your smartphone to the dash, this FlexDock® baseplate does away with cable clutter, holding your iPhone or Android device so you can see the screen, while charging the battery at the same time.

	18/19	208	9.8	6.4	4.5	5.2	137
2.0CDTi (170PS) automatic	17	205	9.9	8.0	4.5	5.8	153
	18/19	205	9.9	8.2	4.8	6.1	161

[#]Fuel consumption information is official government environmental data, tested in accordance with the relevant EU directive. Official EU-regulated test data is provided for comparison purposes and actual performance will depend on driving style, road conditions and other non-technical factors.

TRANSMISSION

Six-speed manual gearbox:

Standard on all models.

Six-speed automatic transmission:

Available on 2.0CDTi (170PS).

The ActiveSelect® manual mode allows the gear lever to be used like a sequential manual gearbox – you simply push the lever forward or back to change up or down the gears. The driver also benefits from a ‘neutral’ gear disengagement at idle, which reduces vibration and contributes to improved fuel consumption.

STEERING

- Electro-hydraulic power-assisted steering
- Turning circle (kerb-to-kerb):
All models – 11.40m (37.4ft.)

BRAKES

- Anti-lock Braking System (ABS)
- Dual circuit, diagonally split braking system
- Electronic brakeforce distribution
- Hydraulic brake fade assist
- Cornering brake control
- Emergency brake assist
- Electric parking brake with hill start assist standard on SE and Elite models only

SUSPENSION

Front: Independent. Lightweight MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar. Hydro-formed subframe offers increased lateral stiffness. Hydraulic control arm bushing gives improved insulation from road noise.

Rear: Semi-independent rear suspension with Watt's link and gas-pressure dampers

- SE/Elite – FlexRide adaptive chassis control system with continuous damping control, optional at extra cost

WHEELS AND TYRES

SC/SE: 17-inch 10-spoke alloy wheels with 225/50 R 17 tyres

Elite: 18-inch 10-spoke alloy wheels with 235/45 R 18 tyres

- Emergency tyre inflation kit included in lieu of spare wheel

TYRE RATING

Tyre size	Fuel efficiency group	Wet grip performance	External noise	
			Measured (dB)	Group
225/50 R 17	B-E	B-C	68-71	
235/45 R 18	E	B	71	
235/40 R 19	E	B	71	

Tyre rating according to EU Regulation 1222/2009

FUEL TANK CAPACITY

- 58 litres (12.8 gallons)

BODY

- Aerodynamic drag co-efficient: Cd 0.32

ANTI-CORROSION WARRANTY

- 12-year body panel anti-perforation warranty

EXTERIOR DIMENSIONS millimetres (inches)

WEIGHTS AND TOWING DATA kg

	Gross vehicle weight	Max. towing weights Trailer with brakes (without brakes)
Diesel		
1.6CDTi (134PS) Start/Stop ecoFLEX	tba	tba
2.0CDTi (170PS) Start/Stop	2455	1650 (750)
2.0CDTi (170PS) automatic	2470	1650 (750)

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 100kg. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum noseweight** should not exceed 75kg. Always fit Opel towing attachments and accessories available from your Opel Dealer. They are designed specifically for Opel models and carry a 24-month guarantee.

LOADSPACE DIMENSIONS millimetres (inches)

Maximum floor length – behind front seats, second-row and third-row seats folded	1842 (72.5)
Maximum floor length – behind second-row seat	1093 (43.0)
Width between wheel arches	1057 (41.6)
Tailgate aperture height	840 (33.0)
Tailgate aperture lower width	1045 (41.1)

LUGGAGE CAPACITIES litres (cu.ft.)*

Behind third-row, to glass line	152 (5.4)
Behind second-row, to glass line	710 (25.1)
Behind front seats, to roof	1860 (65.6)

* = Measured using the ECIE method.

Opel Service.

Europe-wide Customer Service.

Throughout Europe, more than 6,000 Opel repair workshops are ready to provide professional and punctual service. As you'd expect, they'll repair your vehicle to the highest standards. More unusually, perhaps, they'll tell you exactly what's been done and why, and they will show any costs involved clearly and concisely.

New Vehicle Warranty.

General Motors Ireland Limited (referred to as 'Opel') guarantees for motor vehicles of its manufacture, that each vehicle is free from defects according to the state of the art for a period of: The first 2 years carry an unlimited mileage warranty. The 3rd year of warranty has a mileage limitation of 100,000km for Passenger Cars & Car derived vans, for Combo, Vivaro and Movano the

limitation is 150,000km. The warranty is valid from delivery from the supplying Opel Distributor or from first registration, whichever occurs first (warranty start date).

Opel Roadside Assistance.

This free-of-charge mobility service is valid for all new Opel vehicles during the first year after the date on which they were first registered or delivered to the customer by the dealer, depending on which date comes first. No matter where you are, the Opel Assistance is there to help. In more than 40 European countries – round the clock. Offering services such as breakdown assistance, towing services, rental car, hotel accommodation or the organisation of onward transportation, e.g. via rail or air (please see programme conditions).

12-year Anti-Perforation Warranty.

Opel provides you with a reliable long-term warranty against perforation, provided you have your vehicle serviced and all necessary inspections performed according to the service booklet.

2-year Warranty for Opel Batteries.

With a 2-year warranty for service-installed Opel original batteries your starting problems are over – even in the coldest winter.

Parts and Accessories Service.

Opel parts and accessories are available at your local Opel Shop, where you'll find everything to make your vehicle more comfortable or to meet your individual needs, as well as expert advice.

Opel on the Internet.

Need instant information? At www.opel.ie you can access a wealth of information on all Opel cars, services, and accessories. Get online for Opel news and product updates.

Recycling.

Information about Design for Recycling, Take-Back points for End of Life Vehicles (ELVs) and the recycling of ELVs can be found on the Opel website www.opel.ie

In case of any questions, please ask your Opel dealer. More information can be found at www.opel.ie

Every effort has been made to ensure that the contents of this publication were accurate and up-to-date at the time of going to press (October 2016). Opel vehicles are equipped with components manufactured by various General Motors operating units and outside suppliers. The Company reserves the right to change specifications and withdraw products from sale without notice. Any such alterations will be notified to Opel dealers at the earliest opportunity; please consult your local dealer for the latest information. The specifications detailed within this brochure are not necessarily applicable to alternative models such as Special Editions. Details of any such models will be contained in specific literature or found on the Opel website. The colours reproduced in this brochure may vary slightly from the actual paint colour or trim material due to the limitations of the printing process. Please note that Opel dealers are not the agents of General Motors Ireland Limited and are not authorised to bind the Company by any specific or implied undertaking or representation. It is advisable to ensure that your motor insurance policy provides adequate cover for additional fitted options and accessories. As part of Opel's policy of environmental care, this brochure is printed on paper manufactured using Elemental Chlorine Free pulps from specially farmed, sustainable timber resources. All rights reserved. No part of this publication may be reproduced in any form or by any means, without the prior written permission of General Motors Ireland Limited.
